

APCCC15 Poster Presentation Guidelines

Requirements

Poster should include a brief overview of the study, showing only the essential elements. It should have a logical organization. It may consist of sequential sections (title, names of authors and their affiliations, the body that may consist of INTRODUCTION, EXPERIMENTAL, RESULTS AND DISCUSSION, CONCLUSIONS or SUMMARY, and if necessary, ACKNOWLEDGMENTS.

Details of the study can be shared during one-on-one discussions with conference participants.

The participant should print the poster and bring them to the conference. A poster printed on one large sheet is highly encouraged but not required.

Mounting and Dimensions

The conference organizer will supply poster boards that can fit a poster with maximum dimensions of 1500 cm high x 950 cm wide.

No holes can be made on the poster boards and so the use of Velcro or double-sided tapes are encouraged. Please bring these with you.

Schedule

Posters are to be mounted on Monday morning during the Coffee Break. It should stay there until it is removed on Wednesday, also during the Coffee Break.

At least one of the authors must be at the assigned poster on Monday, October 19, from 11:00 AM thru 12:00 Noon to discuss the work presented with interested conference participants. If you become unable to present your poster, please make arrangements for one of your co-authors to do so. Please contact the conference secretariat regarding any changes in the presenter.

Poster Preview Presentation

Poster presenters are invited to give a short oral presentation as teaser for the conference participants on Monday, October 19, 10:45 AM. Preview presentation will be 3 minutes only. Speaker can use only a maximum of five (5) Power Point slides which should be emailed beforehand to Rolan Vera Cruz at rpveracruz@i-matpro.com or given to the Conference Secretariat in CD-ROM by October 18, 7:00 pm. The slides will be pre-arranged by the Conference Secretariat according to the order of poster presenters in a laptop. This laptop will be used together with an LCD projector in the presentation.

Please address inquiries to Rolan Vera Cruz thru email.
